Enfeites Gigantes de Natal

6 enfeites de até 75 cm para pendurar na escola

O que tem neste material

- **Estrela Gigante: 10 folhas A4 (75 x 71 cm)**
- **Sino Gigante: 12 folhas A4 (72 x 75 cm)**
- **Bola de Natal Gigante: 12 folhas A4 (62 x 75 cm)**
- **Bengala Doce Gigante: 5 folhas A4 (37 x 74 cm)**
- **Árvore de Natal Gigante: 10 folhas A4 (69 x 75 cm)**
- **Presente Gigante: 12 folhas A4 (73 x 75 cm)**

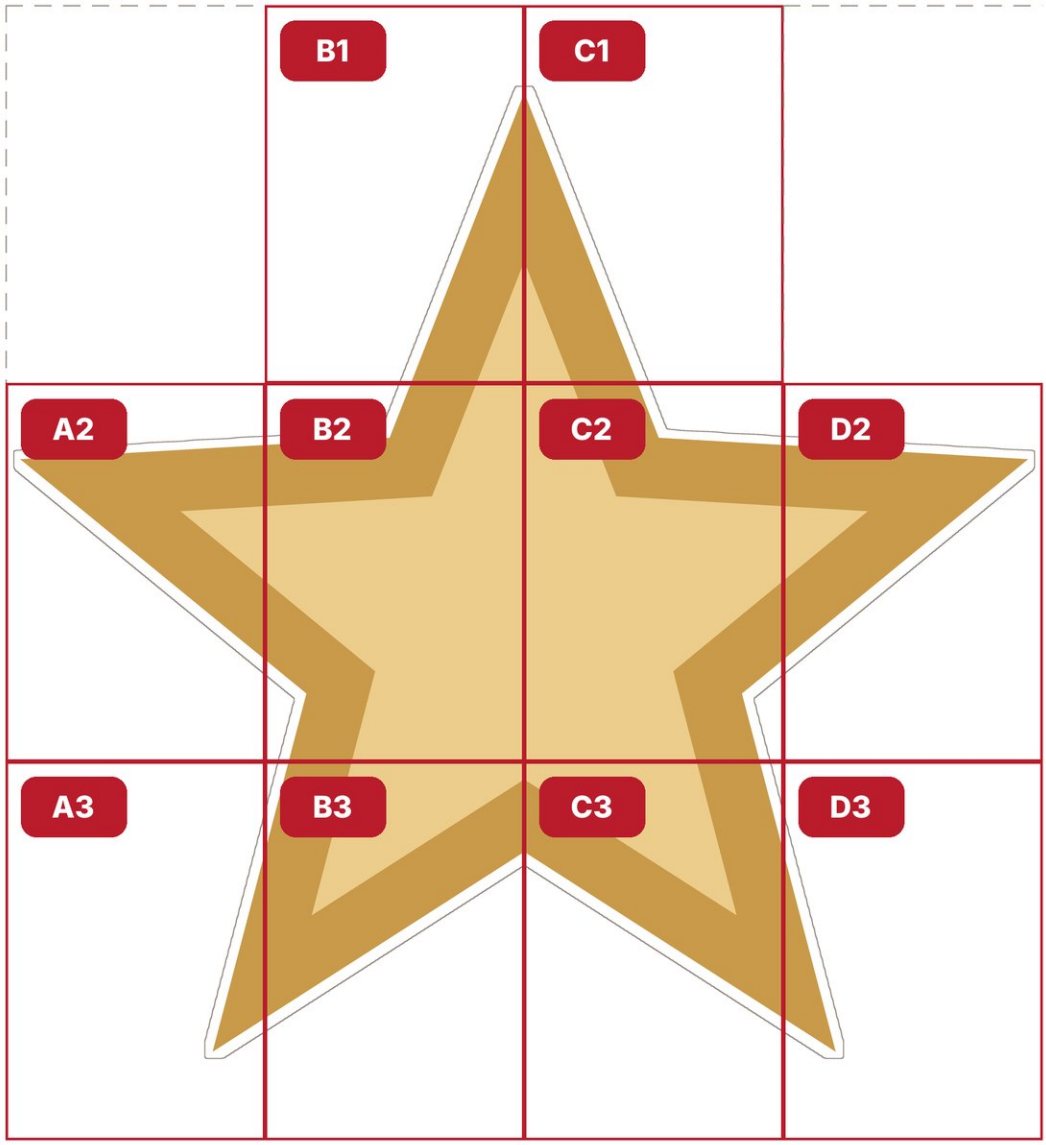

Como imprimir e montar

1. Cada enfeite tem um mapa de montagem. Imprima as folhas em tamanho real (100%).
2. Recorte a margem branca, junte as folhas na ordem do mapa e cole com fita no verso.
3. Recorte o contorno, cole em papelão para ficar firme e pendure com fio de nylon.
4. Fica lindo com cortinas metálicas (não inclusas), no teto da sala, no pátio ou no corredor.

Uso em sala de aula, na escola, na igreja e em casa. Imprima quantas vezes quiser.

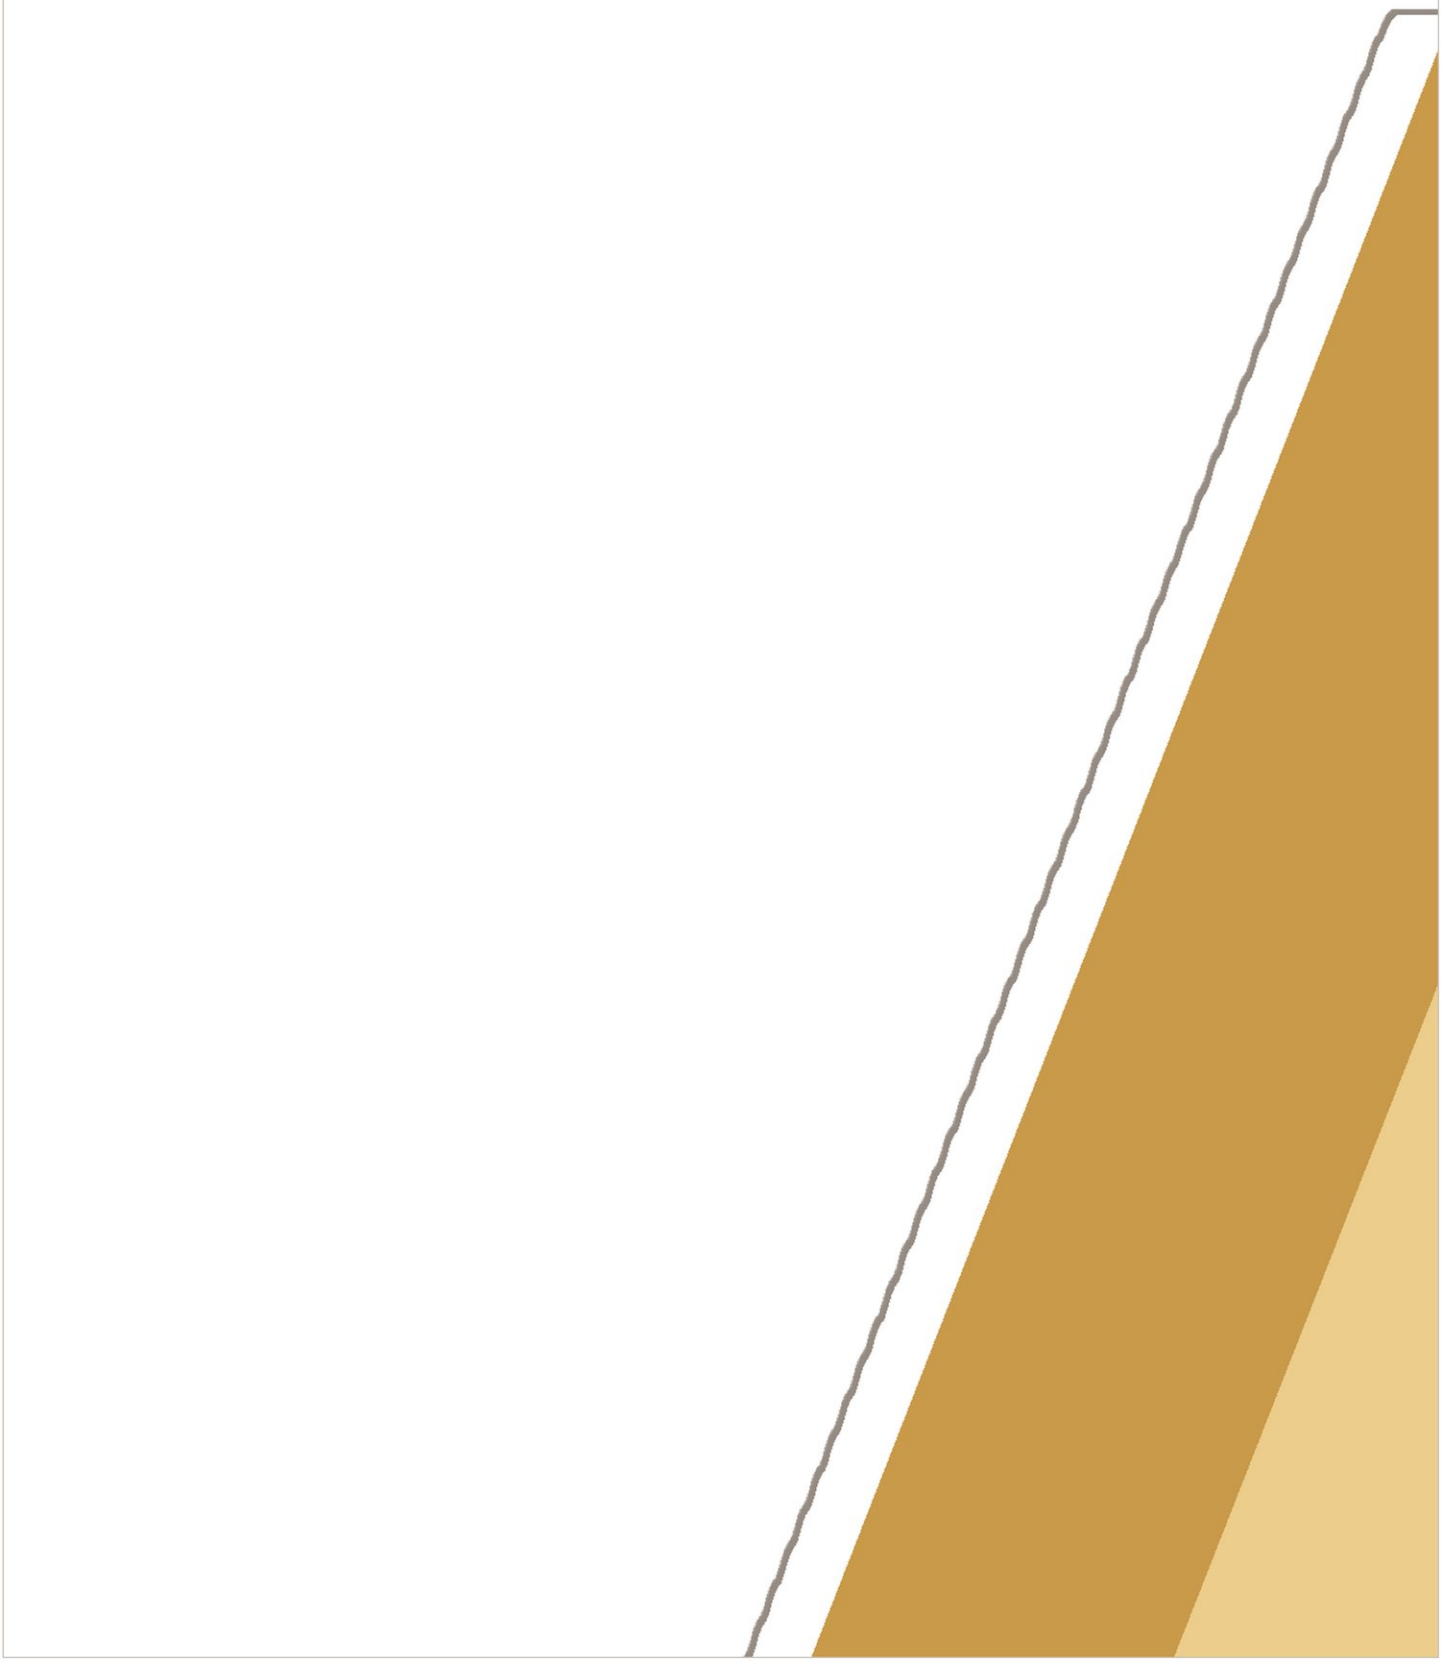

Estrela Gigante

Mapa de montagem · 10 folhas A4 · tamanho final: 75 x 71 cm

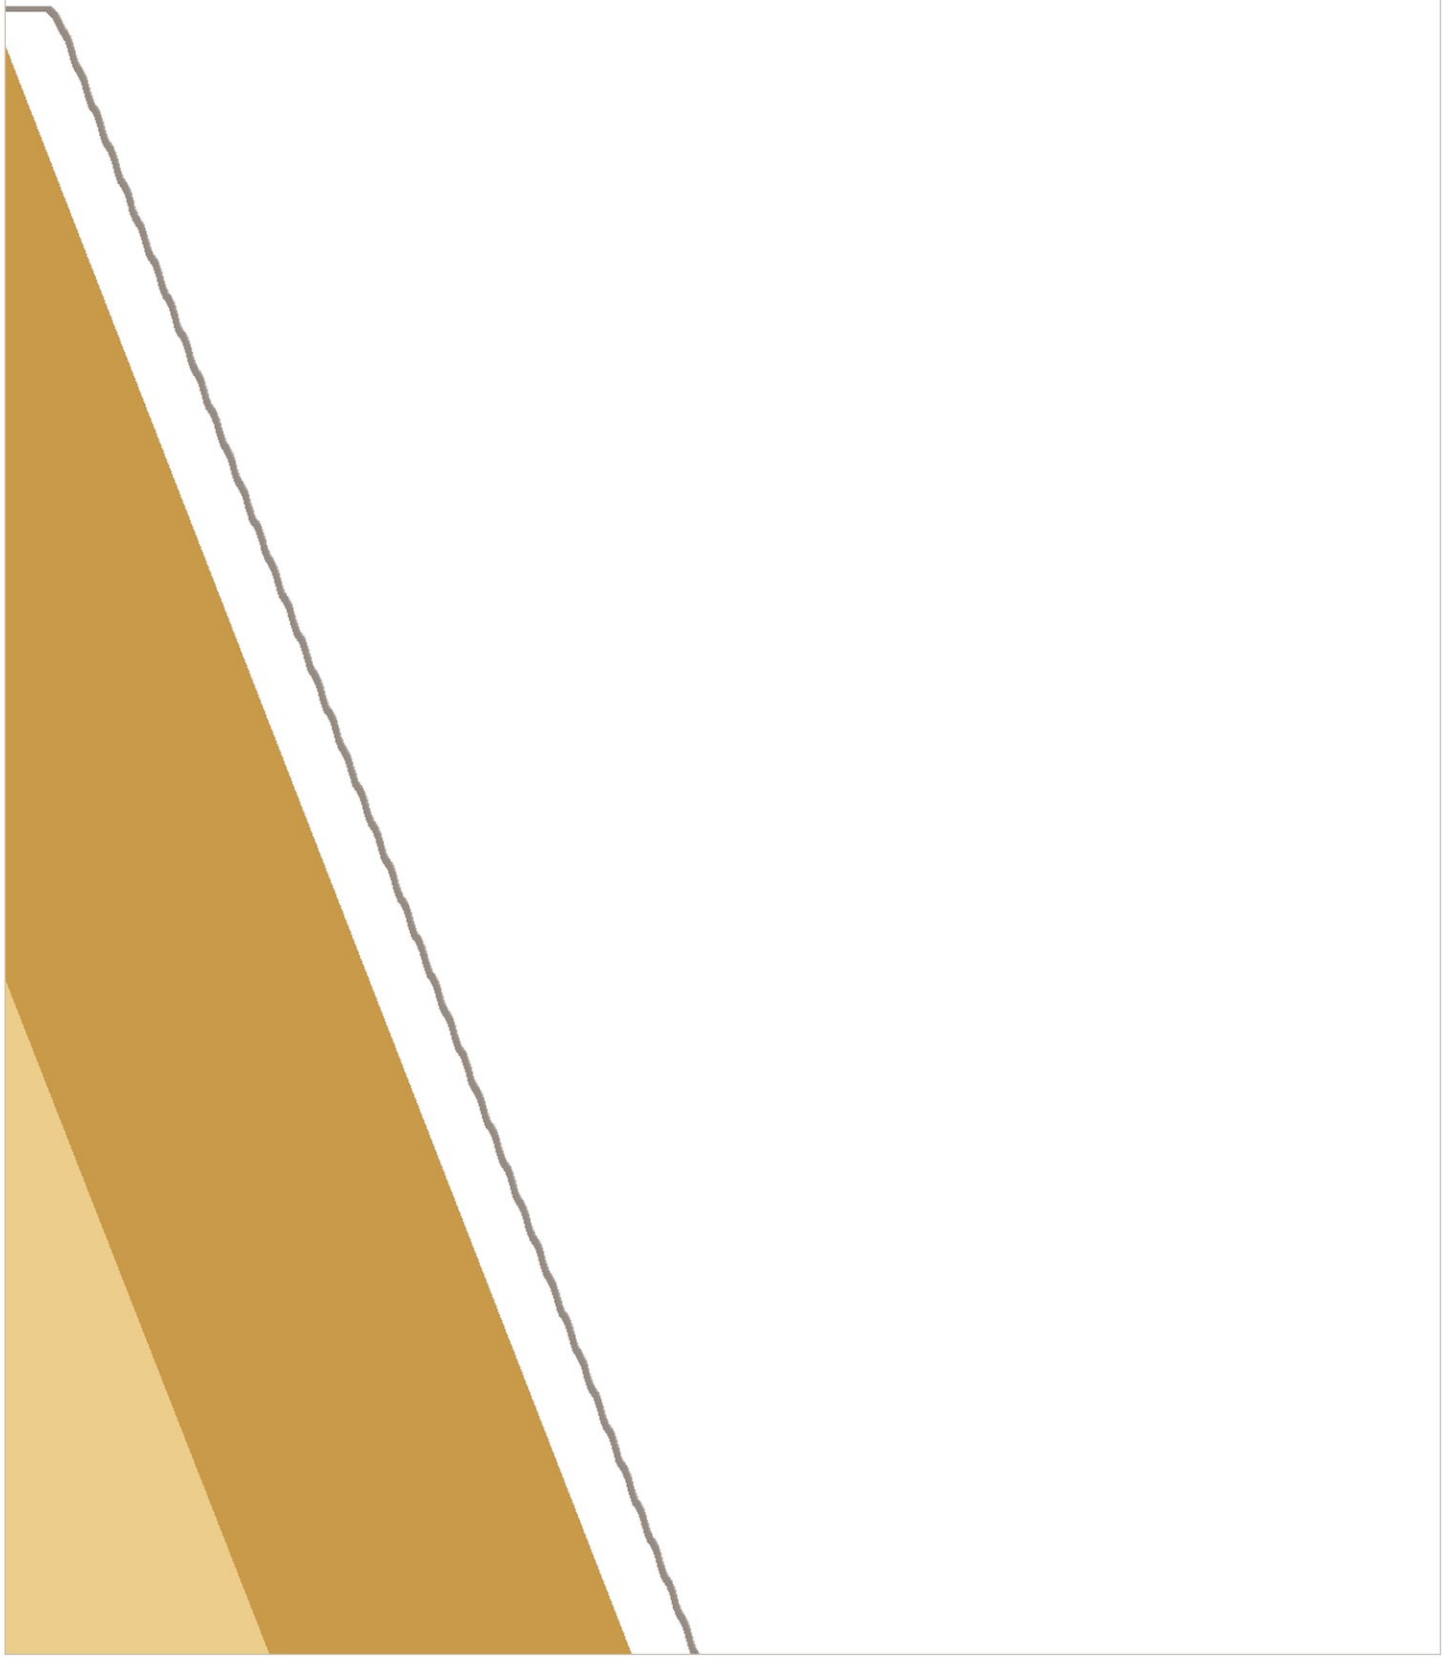

1. Imprima as folhas em tamanho real (100%), sem ajustar à página.
2. Recorte a margem branca de cada folha, na linha cinza fina da borda.
3. Junte as folhas na ordem do mapa (letra = coluna, número = linha) e cole com fita adesiva no verso.
4. Recorte o enfeite na linha cinza do contorno. Para ficar firme, cole sobre papelão ou papel paraná.
5. Faça um furo no alto e pendure com fio de nylon, barbante ou fita.
